Pinz is a sewing outfit that is growing at a spectacular rate. They provide contract cutting, design and prototype services, and a range of products including spa covers, shade sails and PVC blinds. They are a 100% make to order jobbing shop with a batch size of 1 and a great example of operational excellence. During this site visit we will look at their visual production scheduling and control system and examples of low cost automation.

Reasons to visit this inspiring business

- Simple visual production scheduling and control
- Amazing examples of home made automation

Special Instructions

- Photography not allowed
